

Queers and Quills

SPONSORSHIP OPPORTUNITIES

23RD-25TH MAY, 2025 | PORTLAND, OREGON | HYATT REGENCY PDX

Queers and Quills is a two-day romance Convention in Portland Oregon, for Authors, Narrators and Readers of stories that center LGBTQIA2S+ characters and experiences.

At Queers and Quills, we celebrate and amplify the voices of authors of queer stories across all sub-genres of romance. Our mission is to create an inclusive and empowering space that fosters open discussions on writing queer narratives, promoting mental health representation in literature, and advancing diverse and inclusive representation in books.

Through panel discussions, social gatherings, book signings, and an opportunity to support vendors who align with our values, we aim to connect readers and authors, both traditional and indie published, fostering community, networking, and the growth of their readership.

We invite sponsors, vendors, authors and readers alike, to join us in championing this cause and supporting organizations that stand for equality and visibility, through the power of queer storytelling.

As part of our commitment to do something good, we are donating a portion of the funds raised from this event to various nationwide and local organizations that directly benefit the LGBTQIA2S+ community.

For more information please email us at info@queersandquills.com.

WHAT IS *Queers & Quills?*

MAHOGANY MAIL
BOOK BOX

The goal of Mahogany Mail is to celebrate queer joy in romance and to put some good in the world. Our team is made of queer people who have found themselves and their first friends in the pages of queer books, and allies who truly learned the meaning of 'love is love' at the hands of fictional queer characters. We want to make sure we are doing everything we can to not just create consumers, but to create compassionate people compelled to action.

To us, being a part of or an ally to the LGBTQIA+ community means supporting and funding the work of its members. Encouraging the ethos "*GET something good and DO something good.*"

Living in Sydney, Australia with her family, Marley Valentine is a *USA Today* bestselling author and a former social worker who uses her past experiences to write real life, emotional and heartfelt contemporary romance.

She enjoys mixing it up with all types of romance pairings, incorporating all forms of life, lust and love as her characters embark on their journey to their happily ever after.

When she's not busy writing her own stories, she spends most of her time immersed in the words of her favourite authors.
